July 6<sup>th</sup>

After a long day's work I had enough  
energy left to go to the beach. I was  
able to get a good swim in before the sun  
went down. I then went to the beach  
and lay out in the sun. I was able to get  
a good tan. I then went back to the house  
and took a nap. I then went to the beach  
again and lay out in the sun. I was able to get  
a good tan. I then went back to the house  
and took a nap.

The weather was nice and the water was clear and I enjoyed my day at the beach.

I am looking forward to the next day and what it will bring.

Map on lining-papers.

"Five hundred copies printed."

"This volume on the ships to California from 1848 to 1869 evolved from a study of the propaganda hand stamps used by the steamship companies on the letters carried by their vessels ... To complete the study it seemed advisable to bring in, at least in a minor way, the other agencies that eventually released the then far-off Pacific coast from its isolation."—Foreword.

the first time I have seen it. It is a very  
large tree, and has a very large trunk.  
The bark is very rough and thick,  
and the leaves are very large and  
green. The flowers are white and  
fragrant. The fruit is a large, round,  
yellowish-orange color. The tree  
is very tall and straight, and  
has many branches extending outwards.  
The trunk is very thick and  
solid, and the roots are very strong.  
The tree is very healthy and  
vigorous, and appears to be well  
adapted to its environment.
